

Homework 13 Warmup

Atul Balaji (ab5246)

Feedback

Positive feedback - Very nice functionality with the mini map and the basket to keep track of ingredients was also great. The drag and drop functionality in the fill in the blanks question was also very good.

Things to work on - Graphic design of the entire website. List out ingredients in the basket such that they are visible even without clicking on it.

Colors

Base color - Light Yellow: #fbe5b2
